A BILL

To direct the Secretary of Agriculture to release the reversionary interest of the United States in certain land located in Sumter County, South Carolina, to facilitate a land exchange involving that land and to provide for the conveyance of the mineral interests of the United States in that land.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. RELEASE OF REVERSIONARY INTEREST AND**
2 **SALE OF MINERAL RIGHTS IN FORMER FED-**
3 **ERAL LAND IN SUMTER COUNTY, SOUTH**
4 **CAROLINA.**

5 (a) FINDINGS.—Congress finds the following:

6 (1) The hiking trail known as the Palmetto
7 Trail traverses the Manchester State Forest in Sum-
8 ter County, South Carolina, which is owned by the
9 South Carolina State Commission of Forestry for
10 the State of South Carolina.

11 (2) The Commission seeks to widen the Pal-
12 metto Trail by acquiring a corridor of land along the
13 northeastern border of the trail from the Anne
14 Marie Carton Boardman Trust in exchange for a
15 tract of former Federal land now owned by the Com-
16 mission.

17 (3) At the time of the conveyance of the former
18 Federal land to the Commission in 1955, the United
19 States retained a reversionary interest in the land,
20 which now prevents the land exchange from being
21 completed.

22 (b) RELEASE OF REVERSIONARY INTEREST.—

23 (1) RELEASE REQUIRED.—The Secretary of
24 Agriculture shall release the reversionary interest of
25 the United States in the tract of land identified as

1 Tract 3 on the map referred to in paragraph (3) (in
2 this section referred to as “Tract 3”) that—

3 (A) requires that the land be used for pub-
4 lic purposes; and

5 (B) is contained in the deed conveying the
6 land from the United States to the South Caro-
7 lina State Commission of Forestry, dated June
8 28, 1955, and recorded in Deed Drawer No. 6
9 of the Clerk of Court for Sumter County, South
10 Carolina.

11 (2) MAP OF TRACT 3.—Tract 3 is generally de-
12 picted on the map numbered 225–HI, entitled
13 “Boundary Survey for South Carolina Forestry
14 Commission”, dated August 1998, and filed, to-
15 gether with a legal description of the tract, with the
16 South Carolina State Commission of Forestry.

17 (3) CONSIDERATION.—As consideration for the
18 release of the revisionary interest under paragraph
19 (1), the State of South Carolina shall transfer to the
20 United States a vested future interest, similar to the
21 restriction described in paragraph (1)(A), in the
22 tract of land identified as Parcel G on the map num-
23 bered 161–DI, entitled “South Carolina Forestry
24 Commission Boardman Land Exchange”, dated Feb-
25 ruary 10, 1997, and filed, together with a legal de-

1 scription of the tract, with the South Carolina State
2 Commission of Forestry.

3 (c) SALE OF MINERAL RIGHTS.—

4 (1) SALE REQUIRED.—Subject to any valid ex-
5 isting rights of third parties, the Secretary of the In-
6 terior shall convey to the State of South Carolina all
7 of the undivided mineral interests of the United
8 States in Tract 3 as soon as practicable after the
9 State of South Carolina agrees to comply with para-
10 graph (3).

11 (2) DETERMINATION OF MINERAL CHARACTER
12 AND FAIR MARKET VALUE.—Not later than 90 days
13 after the date of the enactment of this Act, the Sec-
14 retary of the Interior shall determine—

15 (A) the mineral character of Tract 3; and

16 (B) the fair market value of the mineral
17 interests.

18 (3) CONSIDERATION.—As consideration for the
19 sale of mineral interests under paragraph (1), the
20 State of South Carolina shall pay to the United
21 States an amount equal to—

22 (A) the administrative costs incurred by
23 the United States in conveying the mineral in-
24 terests to the State of South Carolina, including

1 the costs incurred to make the determinations
2 required by paragraph (2); and

3 (B) subject to paragraph (4), the fair mar-
4 ket value of the mineral interests.

5 (4) WAIVER.—If the Secretary of the Interior
6 determines under paragraph (2) that the mineral in-
7 terests in Tract 3 have no value and are under no
8 active mineral development or lease, the Secretary
9 may waive the consideration that would otherwise be
10 required by paragraph (2)(B).
